WAIVER

I agree to abide by any decision of the tournament officials relative to tournament play. I assume all risks associated with this event including, but not limited to, falls, contact with other players or equipment, the effects of the weather, traffic, conditions of the courts and SportsPark. Having read this waiver I, for myself and anyone entitled to act on my behalf, waive and release First Bible Baptist Church, G&T Athletics, and the Rochester Croquet Club and its individual members and sponsors from all claims and liabilities of any kind arising out of my participation in this event. I grant permission to all the foregoing to use any photographs, videos, recording, or any other record of this event for any legitimate purpose.

League Guidelines

1. Professional equipment is provided: mallets, balls and wickets. You may bring your own mallet if you prefer as long as it does not provide any mechanical advantage over the club mallets.
2. No age limit; youngsters will be playing alongside adults. All players will be expected to follow good rules of sportsmanship and etiquette.
3. Please wear modest clothing. Soft-soled shoes required as play is on a greens-quality court.
4. You may sign up with a partner or we can find a partner for you. You will play as a team for the 8 weeks of league play and provide a name for your team. If one of you is unable to make a particular date, please find a substitute.
5. We will be playing the quick and easily-learned game of Golf Croquet. Basically, the first ball to score the wicket earns the point for that wicket. Each ball is now for the next wicket from wherever they currently lie.
6. Teams will play two 35-minute games each evening with a short break for a devotional.
7. Games are timed and game is over when one team reaches 7 points or the timer goes off. Scores are kept by Wins, Net Points (difference between team scores) and Gross Points (the actual number of wickets scored) to determine league winners. First, second and third place winners will receive awards at league end.
8. If, at the end of league play you wish to continue playing at the courts, you may join the Rochester Croquet Club, a G&T Athletics ministry, for a reduced fee for the remainder of the year. The Club plays five times a week from about mid-May through mid-October.
